## Work Experience

### Intern as Web Developer

Apr'21-jun'21 Peopletch IT Consultancy Pvt. Ltd, Bangalore, India

Appointed as intern under Web Development position.

Working in various live projects. I am also working as a team.

### Intern as SD Engineer

July'20-Oct'20 Social Advancement Through Unity, Tangail, Bangladesh

My job responsibility was to solving software and internet issues,  
developing website, hr management system.

### Intern as SDE

Jan'20-March'20 PythonMate, Indore, India (Remote work)

Tasked with learning and deciding on the best tools/libraries to use to  
implement said web scraping tool. Implemented tool using Flask, then  
Express.js and eventually Electron.js after realizing shortcomings with  
the first two approaches.
